An act to amend Section 12410.5 of, and to add Section 12410.6 to, the Government Code, relating to audits.

### LEGISLATIVE COUNSEL'S DIGEST

AB 1345, as amended, Lara. Local government: audits.

(1) The federal Single Audit Act of 1984 requires any nonfederal entity, defined as a state, local government, or nonprofit organization, that ~~accepts~~ *expends* \$300,000 or more in federal money to prepare an annual audit that meets certain specifications and transmit that audit to specified federal agencies. Existing law requires the Controller to receive every audit report prepared by any local public agency, pursuant to the federal Single Audit Act of 1984, *and* review those reports for compliance with federal law before forwarding them to the designated state agency.

This bill would require the annual audit reports made pursuant to the federal Single Audit Act of 1984 to be submitted to the Controller within 9 months after the end of the period audited or pursuant to applicable federal or state law. This bill would authorize the Controller to appoint a qualified certified public accountant or public accountant to complete an audit report if a local agency, as defined, fails to submit the audit report to the Controller by the specified date. The bill would require

the Controller to report certain misconduct and nondisclosures to the California Board of Accountancy.

(2) Existing law requires certain audits to be performed by specified accountants and accounting firms.

This bill would require any audit for any local agency to be performed by a certified public accountant or public accountant, as specified. The bill would prohibit a local agency from employing certain public accounting firms to perform an audit, as specified, unless the Controller finds that another eligible public accounting firm is not available to perform the audit.
